Discussion of possible sessions to recommend to COMO planning team:

1. Pedagogy and instruction ideas for librarians with no background in education. Eli, Sarah, and Kelly are interested in working on this topic, possibly for a panel.
2. Gaming/Interactive teaching tools – Rebecca mentioned using Kahoot (a gaming app) in teaching. She, Jean, and Pat are interested in working on this topic.
3. Teaching tips for introverts or reluctant presenters – proposed by Sarah, perhaps could be included in Eli's session or possibly a stand-alone.
