Subject: GLA questions

Michele,

I talked with Shirley Clark of Clarks Systems last week. She mentioned that you might have trouble getting in touch with them unless you use the email for Jim Clark @clarksystem.com. She needs a list of GLA officers so she will know how to stuff the packets with officer ribbons.

Also, could I get a list of the new GLA officers with their mailing addresses and email addresses. Looking forward to an exciting conference next week. Thanks, Eddie
