

## Meeting Minutes

**Meeting:** Library Tour

**Attendees:**

Danielle Costello

Brittany Sterling

Kyle DeBell

**Date:** April 5th, 2018

**Agenda:** The purpose of this meeting was to finalize plans on the library tour.

**Review of Meeting Minutes:** During the meeting, it was decided that the library tour would take place at the Jimmy Carter Presidential Library, during the third weekend of May. We also tentatively planned our next fun event, which may be a trip to the botanical gardens in Atlanta or a trip to Kennesaw Mountain National Battlefield Park followed by a trip to the Burnt Hickory Brewery Company. We also discussed posting 'factoids' on social media during special events like Banned Book Week, National Poetry Month, and any other special event months or weeks.
