Old Business

No old business.

New Business

- *TSIG 2019 Programming*
 - Ideas for 2019 conference presentations or webinars:
 - Serials and Alma: check-in patterns
 - RDA 2.0
 - Acquisitions
 - cataloging
 - Roundtable/panel
 - Assessment of technical services
 - Technical services efficiencies
 - Eresources
 - Tech services promotion within an academic institution (panel)
 - We determined we will post a survey on the list-serv (G2CAT) to see what topics interest people, and then create programming based on results.
 - Discussion of non-conference programming ideas:
 - Develop in-person or webinar hands-on training sessions that could rotate to different locations throughout the year.
 - It would include handouts and materials created in such a way that it could be used by different people in the future.
- *Conference Proposal Discussion*
 - In 2018, TSIG hosted/sponsored a pre-conference.
 - GLC will be in Macon in October 2019 & 2020
 - Discussed TSIG sponsoring 2 presentations at Georgia Libraries Conference. Try to target 1 academic and 1 public, depending on applications
 - Use conference registration as incentive to participate
 - Post information about sponsored presentations to different list-servs

- *Interest Group Council Chair*

Mack Freeman, Interest Group Council Chair, introduced himself and announced that Budget Requests for events throughout the year and at the conference are due soon. He also mentioned that the Interest Groups might move toward digital elections this year. Mary Ann Cullen is the Interest Group Council Vice Chair/Chair-Elect.

Respectfully submitted,

Emily Williams

Secretary
