Emily Williams, Georgia State University (Secretary)
Matthew Yohn, Life University

Meeting in session: 11:03 AM

Old Business

No old business

New Business

- *Officer Nominations*
 - Accepting officer nominations for 2020.
 - The election will take place online in November as part of a GLA Interest Group online ballot.
 - One nomination for each office received prior to the meeting.
 - No nominations were submitted during the meeting.

- *GLA Carterette Webinar Series*
 - GLA Carterette has 2 webinar spots in their 2020 calendar that they are opening up for 2 Interest Groups to use.
 - Interest Group is responsible for marketing and the cost of speaker's fees (if any).
 - Proposals submitted to the Carterette committee for approval and scheduling.

- Discussion on possible topics was opened up to the floor with no response.
- Decided that a call for topics would be posted to the listserv and emailed to membership.

- *TSIG Programming*

- Suggested that TSIG hosts quarterly online meetings/trainings to increase participation.

- Possible topics include:

- RDA

- Acquisitions

- Findability (Gwinnett will be converting its non-fiction collection to a local classification schema)

- Inventory

- Conference presentations

- Elaine Hardy shared that GPLS has this type of structure and they have an organizing committee that plans the first meeting/training, and then they post a call for topics that people want to talk/learn about.

- *Joint GPLS-USG Cataloging Conference*

- Elaine Hardy shared information about the Cataloging Conference, December 17-19 at Unicoi State Park, Georgia.

- Guy Frost and Robert Taylor, VSU, will present on changes to RDA and the Toolkit.

- 1 person per institution (GPLS & USG) paid for by GPLS.

- Extra people may need to stay in a hotel in Helen because of limited space in lodge

- Waiting for signed contract from Board of Regents. Once that's done, more information will be sent out to each institution's point of contact.

- TSIG member asked if it would open up to non-USG academic institutions. Elaine responded that GPLS had to negotiate to incorporate USG. Also the venue limits the size to 100. Between those two factors, it is unlikely.

Adjourned: 11:19 am

Next Meeting:

GLA Mid-Winter Planning Meeting

Middle Georgia State University

January 10, 2020

Respectfully submitted,

Emily Williams

Secretary
