Programming ideas for 2020:

- Instructional Design
- Train the Trainer/Best Practices for Online Instruction
 - Very enthusiastic response. Need for a "Train the Trainer" session was highlighted throughout the meeting.

- David Babb's training was highlighted as one that could be modified/updated if he would be willing to share it.
- Sharing helpful materials through Creative Commons.
- Monthly meetings/sessions to share works-in-progress.
 - Potential formats discussed: Using Teams function/SharePoint through OneDrive.
 - Having both synchronous and asynchronous components.
