3. Should program chair/coordinator roll be incorporated into RISIG election form? Yes. Leslie will edit intent to run form.
4. Review of GLITR 2021
 1. 164 attendees went pretty smoothly minus the one room that stopped working mid conference.
 2. Feedback was positive. Majority agree / strongly agree with enjoying program; Keynote speaker, generally pleased or neutral; Happy with length of conference; Well organized.
 3. Trying 3 different tracks for the first time this year - reference, instruction, kaleidoscope. Seemed well received.
5. GLITR 2022 - haven't started formally planning yet.
