

2022 AEL August Meeting Agenda and Notes

09-23-2022

11:00 PM – 12:00 PM

AEL Event 2: *Networking with Others* had a good turn out and provided a great opportunity for people working at different types of libraries or are in library school to get to meet and hang out!

Gina from NMRT will send us a replacement of the AEL table cloth.

For our 3rd outreach event, Chamyre will contact Sewell Mill Library and Cultural Center to finalize details of the tour. We will try to meet at one of the close by restaurant joints to hang out and mingle with attendees after the tour.

Joshua will create a flyer for the library tour and post it on Facebook, Instagram, GLA Listserv, and NMRT Listserv.

Joshua will also put out an announcement for people to sign up for AEL's committee for next year 2023.
