Thursday, May 26th, 2022

- We talked through the GLABC Presentation Proposal form and presentation type.
- We discussed a possible lightning round presentation for GLC. We're going to wait before we give it a title.
- Karen proposed that we have two presentations: a lightning round and a sponsored presentation for Twanna Hodge.
- We had a discussion about the theme for our lightning rounds. We decided to stick with the topic of censorship but we will continue to tweak the wording.
- We talked about preparing the GLA Travel Grant document for the July board meeting. We will need to have the document ready for Kelly's call for agenda items.
