

PeMento and the Power of Peer Mentoring

Lindsay Cronk, Rachel Fleming,
Ashley Krenelka-Chase, Maurini Strub

Today's Session

1

What is PeMento?

From radical experiment to
proven model

2

Iteration and Learning

Building a new kind of
professional network

3

The Value of Peer Mentoring

Our goals and our impact

4

Questions and Answers

Let's talk

Intro

We had a big idea because we had big feelings.

1

About PeMento

We yell because we care.

Blowing Up Professional Development

Key differentiating features:

- Individual-focused
- Unaffiliated with any organization
- Connecting reflective practice to community building

And the most important thing:
CO-CREATIVE PROCESS

Guiding Principles

2

Iteration and Learning

Let it grow.

The Value of Peer Mentoring

Aligning Goals to Impact

#PeMento reflections - feeling really well-nourished in a spicy way.

4:32 PM · Aug 23, 2021 · Twitter Web App

Michele Santamaria @MUEngLib · Jun 9

Very niche **#PeMento** plug: attending really helped me articulate what I wanted from next phase of my career & decide to apply successfully to ARL's leadership institute for mid-career librarians of color.

Sophie Brookover @sophiebiblio · Jan 27, 2022

The ultimate outcome of my **#Pemento** experience was a decision to leave librarianship, and I think it's a huge strength of the program that it encourages participants to consider all options for their next acts

Maridath Wilson @maridathann · Jul 26, 2021

#PeMento has me thinking about dreams/dreaming and how necessary they are for effective leadership.
